## Terms of use

**When you download and use creations by Milja Maison you hereby agree to be bound by the following:**

- You cannot reupload my custom content with your builds on Patreon, nor profit from them in any way, shape or form (i.e. AdFly and similar).
- You cannot convert any of my meshes to any other version of The Sims nor to any other platform and/or game.
- You cannot convert my meshes to their “raw” material (.Blend files or any other software here of) and/or reupload my works as 3D models nor any other format.
- You cannot modify my custom content, rename my mesh and/or remove credits. You must always acknowledge me as the creator of the game asset.
- You cannot claim my creations and/or pictures as your own.
- You cannot redistribute and/or sell my creations.
- You cannot use my creations as base for your creations.

- You cannot include my mesh in your recolors (unless permission is granted in the post).

**You do not in any way buy the rights and/or ownership of Milja Maison's 3D meshes.**

- You cannot share early access content before public release on Milja Maison's official Patreon page.

- You cannot reupload my builds to the EA Gallery.

## Legal notice:

All creations by Milja Maison are offered "as is". Each creation owned and created by Milja Maison is provided with one month support from the release date. The support does not guarantee 3D objects and/or game modifications not created and/or owned by Milja Maison.

Milja Maison cannot be held responsible for disfunction of creations due to incompatibility with game patches, game versions, corrupted save files, illegal copies of The Sims 4, creations downloaded from other sites/services other than miljamaison.com and Milja Maison's official Patreon site, wrong stated information by the commissioner/user or any other related reason hereof.

Milja Maison reserves the right to make changes to this user agreement without any prior notice. Any such changes will be reflected on this page.
